
bauma 2019 new film: “The world prepares for bauma!”

The World's Leading Trade Fair bauma is the leading platform for experts who deal with construction and building-material machines, construction vehicles, construction equipment and mining machines. The 32nd Edition of bauma takes place in Munich from April 8–14, 2019.

Once again, the 2016 exhibition set several new records—confirming yet again its leading role as the largest trade fair in the world. A seven-day show of superlatives at bauma 2016 attracted 583,736 visitors from 219 countries to Munich. A total of 3,425 exhibitors—37% from Germany and 63% from abroad—from 58 countries presented their products, developments and innovations on a record 605,000 square meters of exhibition space. 344 exhibitors from China accounted for over 10 percent of the total—higher than ever before.

bauma 2019 has the new film on line in the title of “The world prepares for bauma!” In the film, we are happy to have such enthusiastic exhibitors and visitors, who are looking forward to bauma 2019 as much as we do. Watch our bauma-community around the world how they prepare for the World’s Leading Fair for Construction Machinery, Building Material Machines, Mining Machines, Construction Vehicles and Construction Equipment.
